## Tell Them From Me – Parent Survey

Dear Parent and Carers

Great Lakes College will be participating in the *Partners in Learning* parent survey, another part of the *Tell Them From Me* suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our college understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our college make practical improvements.

The survey is conducted entirely online on smartphones, iPads, tablets, laptops or computers. The survey will typically take 15 minutes or less to complete and is completely confidential. The parent survey will be conducted from week 10 Term 3 until the end of week 4 Term 4. Although participating in the survey is entirely voluntary, your responses are very much appreciated and valued.

Our college will provide further information about how to access the survey. In the meantime, more information about the survey is available at: [education.nsw.gov.au/ttfm](http://education.nsw.gov.au/ttfm).
