

### Our Vision

Ensure every student of GLC is well prepared for a lifetime of on-going learning and informed and active citizenship. All students will be given opportunities to gain knowledge, skills and attributes that will equip them for their future.

### Our Mission

We aim to:

- improve school performance and student outcomes
- improve ongoing teacher quality
- strengthen school leadership
- build pathways to lifelong learning

### About Us

The college offers a high quality education with extensive breadth of curriculum which provides for the individual needs and context of the students and families. The college delivers inclusive education including students with additional learning needs having access to specialised learning.

### Our Goals

1. All students make a strong start in life and learning and make a successful transition to high school.
2. Every student is known, valued and cared for in our schools.
3. Every student, every teacher, every leader and every school improve every year.
4. Every student is engaged and challenged to continue to learn.
5. All young people have a strong foundation in literacy and numeracy; deep content knowledge; and confidence in their ability to learn, adapt and be responsible citizens.
6. All young people finish school well prepared for higher education, training and work.
7. Great Lakes College is a great place to work and our workforce is of the highest calibre.
8. Our school infrastructure meets the needs of a growing population and enables future-focused learning and teaching.
9. Community confidence in public education in the Great Lakes is high.
10. Our education system reduces the impact of disadvantage.
